WHY CHOOSE US

PROFESSIONAL SERVICE

Our top of the range diagnostic tools mean we can find the problem quickly and work tirelessly to get your vehicle back to its very best as quickly as possible.

SKILLED WORKERS

Between us we've got decades of experience working in vehicle repairs. With a range of experts looking after everything from MOTs and routine services, you can rest assured that you'll be receiving an expert service first time, every time.

COMPETITIVE PRICE

Automate is one of the best priced mechanics in the Middlesex area. We also Supply Parts at greatly discounted prices to all of our customers. On average save well over 50% compared to dealer and garage retail prices.

ABOUT AUTOMATE

Keeping your car in full working order whilst working can be very difficult. That's why the car mechanics at Automate in Ashford, Middlesex, offer you a reliable service with all work guaranteed so that you'll have your car when you need it.

Our car mechanics have been providing a professional service for over a decade that has led to you benefiting from high quality repairs and helped ensure that your car is fit and safe to pass an MOT test.

TESTIMONIALS

“ So impressed with this garage, friendly and really reasonable prices. They do their best to provide the highest quality work but at the lowest price. I'd recommend them all day long!

05/10/2012

“ Very helpful and friendly. Kept me informed and explained what repairs were carried out. Quoted price of the job before starting. Very reasonable.
